

## Cookie policy

Browsing activities within the **www.sammontana.com** website are subject to the use of automatic data collection methods, the so-called cookies.

Cookies are small text files sent to the user's terminal (usually to the browser): some are termed 'session cookies', meaning that they are cancelled at the end of each browsing session, while other cookies are stored for being retransmitted on subsequent visits to the website by the same user. Cookies are used to improve the user's browsing experience.

Other types of cookies include technical cookies and profiling cookies.

Technical cookies are used for transmitting information over an electronic communication network or for providing a service expressly requested by the user; they are not used for any other aims and are normally installed directly by the website administrator.

Profiling cookies are aimed at creating profiles relative to the user and are generally used for sending advertising messages matching the user's preferences, as revealed through the latter's browsing activities on the Internet.

In compliance with the regulations in force concerning privacy, the **www.sammontana.com** website exclusively uses technical cookies.

The **www.sammontana.com** website does not directly use profiling cookies and does not undertake any profiling activities.

Regarding interaction with social networks and external platforms directly from the **www.sammontana.com** website pages, since installation of cookies and other tracking systems by third parties through services and links appearing on the **www.sammontana.com** website cannot be technically controlled by the Data Controller, the latter shall not be held responsible for the use of third-party cookies by the user, who is advised to consult the privacy policies of any third-party websites accessed through the **www.sammontana.com** website.

The cookies used by the **www.sammontana.com** website include:

Name	Domain	Description	Expiry	Type
CFID	sammontana.com	Cookie downloaded through ColdFusion Adobe applications. Used in combination with CFTOKEN, this cookie helps to unequivocally identify a client device (browser) so that the website can maintain the user's session variables.	30 years	Necessary
CFTOKEN	sammontana.com	Cookie downloaded through ColdFusion Adobe applications. Contains a random number for identifying the client.	30 years	Necessary
__utma	sammontana.com	Used by Google Analytics for distinguishing users and sessions.	2 years	Analytics
__utmb	sammontana.com	Used by Google Analytics for determining new sessions / visits.	30 minutes	Analytics

__utmc	sammontana.com	Used by Google Analytics in combination with the __utmb cookie for determining whether the user is in a new session / visit.	Session	Analytics
__utmz	sammontana.com	Used by Google Analytics, it stores the source of the traffic or campaign and explains how the user reached the website.	6 months	Analytics
__utmt	sammontana.com	Used by Google Analytics for the current request.	10 minutes	Analytics

The user may decide to deactivate the use of cookies by appropriately modifying the browser settings. Cookie deactivation through the browser settings does not hamper the possibility of using the services of the [www.sammontana.com](http://www.sammontana.com) website, with the possible exception of access to reserved areas. Below are links to the major browsers for modifying the session settings:
